Subject: Confirmation of Selection — Ishan Toraskar — Vicharanashala Summership 2026 (VINS Online Track)

This is to formally certify that Ishan Toraskar (registered email: ishantoraskar07@gmail.com), a student of Pimpri Chinchwad College of Engineering, has been selected for the Vicharanashala Summership 2026 internship programme at the Vicharanashala Lab for Education Design (VLED Lab), Indian Institute of Technology Ropar.

Candidate name	Ishan Toraskar
Institution of record	Pimpri Chinchwad College of Engineering
Programme	Vicharanashala Summership 2026
Track	VINS — Vicharanashala Internship with No Stipend (Online Track)
Internship period	1 June 2026 to 15 August 2026
Mode	Fully online (remote)
Host institution	Vicharanashala Lab for Education Design, IIT Ropar
Academic supervisor	Sudarshan Iyengar, Department of CSE, IIT Ropar

The selection is based on the candidate's performance in our rigorous evaluation process. The internship is academic in nature, fully online, and carries no financial compensation; participants work on real, live, open-source projects under direct mentorship from the VLED Lab team.

This selection-confirmation is issued in advance of the formal offer letter to serve two purposes. First, to facilitate the candidate's request for a No-Objection Certificate (NOC) from the institution, in cases where prior written confirmation of selection is required by the department, placement office, or other competent authority. Second, to give the candidate a firm, official basis on which to begin preparing for the internship — making the necessary academic and logistical arrangements, planning around remaining exam schedules and other commitments, securing the working setup the programme requires (a personal

laptop, reliable internet, a quiet working environment, and any installations the candidate's mentor may later direct), engaging early with the lab's publicly available repositories and reading material, and orienting family or faculty about the upcoming commitment. The formal offer letter, which is the document of record for academic credit and placement purposes, will be issued by the VLED Lab within approximately 24–48 hours of receipt of the signed NOC.

We respectfully request the institution to issue the No-Objection Certificate for Ishan Toraskar for the internship period stated above, so that the candidate may join the cohort on schedule.

If any additional verification or clarification is required, please reach out directly to the supervising faculty at sudarshan@iitrpr.ac.in.

With regards,

Sudarshan Iyengar
